

Blue Moon Infantry instructions

step 1

Print the parts on thicker paper, and get out your knife, glue, rubber cutting mat and any other tools you think you could use!

step 2

Start by glueing together the sides of part 1, and then closing the top.

step 3

Glue parts 2 and 3 into small cylinders, and then glue them inside the holes on the bottom of part 1.

step 4

Cut out and glue together parts 4 and 5...

step 5

...and then glue them to the bottom of the legs, making sure they point somewhat sideways as shown here.

step 6

Next, cut out and assemble part 6 and glue it to the legs as shown here.

step 7

Assemble parts 7-10 and glue them together...

step 8

...and then glue them to the body as shown here (make sure the angle of the hand is more or less the same as in the picture!)

step 9

Do the same for parts 10-12...

step 10

...and then glue them to the other side of the body (make sure the angle of the hand is more or less like the picture again).

step 11

part 13

part 14

Assemble part 13 by glueing together the "flaps" one by one, and part 14 by glueing together the two ends, and then folding over the flap as shown here.

step 12

part 14

part 13

Then glue parts 13 and 14 on top of the body as shown here.

step 13

Cut out and assemble part 15...

step 14

part 15

...and then glue it to the back/side of the soldier as shown here.

step 15

part 16

part 17

2x part 18

Assemble parts 16 and roll up parts 17 and 18 as tight as you can...

step 16

...and them glue them together as shown here.

step 17

**Blue Moon
Infantry**

Place the Machine Gun into the hands of the soldier.

Thank you for downloading and building a Ninjatoes' papercraft model!
